In the complaint between:

PRIVATE SECURITY SECTOR PROVIDENT FUND

Complainant

and

MINDMAPS TWENTY TWO CC

Respondent

**DETERMINATION IN TERMS OF SECTION 30M OF THE PENSION
FUNDS ACT, 24 OF 1956 (“the Act”)**

Introduction

[1] This complaint, received by this office on 27 July 2007, concerns the

registration of an employer with a pension fund established in terms of a sectoral determination. The complainant also claims as ancillary relief an order that the respondent be prohibited from applying for the liquidation of the business.

[2] On 13 December 2007, a copy of the complaint was sent to the respondent, on whose behalf a member, M Moyo, responded on 17 January 2008. A copy of the response was forwarded to the complainant on 23 January 2008, and again on 31 January 2008. On 13 March 2008, the complainant furnished its reply in the matter.

[3] Having considered the written submissions filed before this tribunal, it is considered unnecessary to hold a hearing in this matter. The determination and reasons therefor appear below.

[4] As the background facts are well-known to all parties, these shall be repeated only to the extent that they are pertinent to the issues raised herein.

Complaint

[5] The complainant, a provident fund established in terms of a sectoral determination, asked for an order that

[5.1] the respondent be prohibited from applying for liquidation of the business;

[5.2] the respondent be compelled within 7 working days to register with the Fund by completing an application form, a copy of which is attached to the complaint, or by applying for an exemption.

Respondent's Response

[6] A member of the respondent, M Moyo, replied on its behalf submitting that due to it currently experiencing financial difficulties, thus it cannot afford to contribute to the complainant. Further, the respondent request that it be exempted from participating in the complainant.

Determination and reasons therefor

Prohibition against applying for liquidation

[7] The complainant requests an order that the respondent be prohibited from applying for liquidation of the business.

[8] This application would apply to an application to court. It would not include the passing of a resolution for voluntary winding-up, be it for a members' or creditors' voluntary winding-up.

[9] The respondent is only one of a number of entities that may apply to court for

winding-up. Other possible applicants would include one or more creditors, as well as one or more members (section 66(1) of the Close Corporations Act, 69 of 1984, read with section 36(1) of the Companies Act, 61 of 1973.)

[10] A blanket prohibition against applying to court for relief would be inappropriate. Access to the courts, albeit to have disputes settled, is one of the fundamentals set out in Chapter 2, the Bill of Rights, of the Constitution of the Republic of South Africa, Act 106 of 1996. An order denying a person the right to approach a court for relief would be unconstitutional.

[11] Such an order would under the circumstances also be inappropriate. The order, if granted, could readily be circumvented and rendered ineffective, as it would not restrain any other party, including one or more members of the respondent itself, from applying to court for relief in their individual capacity. I am not willing to consider granting an order that could so easily be circumvented.

Order to compel respondent to join

[12] The second prayer is for an order compelling the respondent to register with the Fund or to apply for an exemption.

[13] The complainant is a fund established in terms of Sectoral Determination 6: Private Security Sector, South Africa issued by the Minister of Labour under

the Basic Conditions of Employment Act, 75 of 1997, and registered as a pension fund with the Registrar of Pension Funds.

[14] Clause 24.1 (1) provides for the membership of each employee falling within the scope of the Determination of the complainant.

[15] An employer cannot *join* the complainant or become a member thereof. It can participate in the complainant by deducting contributions from the remuneration due to an *eligible employee*, as defined, and transmitting this amount, together with its own contribution and a prescribed schedule, to the complainant.

[16] *Eligible employee* is in the definition in the Rules of the complainant defined to limit participation to

- persons performing certain classes of work as defined in sub clauses (41) to (46) of Sectoral Determination 3 of 2000;
- who do not fall under the jurisdiction of any other wage determination, sectoral determination or bargaining council agreement; and
- who have completed 6 months continuous permanent employment with any of the employers within the Private Security Sector

immediately prior to joining the complainant;

- but excludes an employee employed by an employer who has been granted exemption to participate in the complainant in terms of Rule 3.1.2.

[17] There is no direct requirement in the Sectoral Determination or the Rules of the complainant for employers to register with the complainant. Certain duties are placed on employers by the Sectoral Determination and the Rules, such as to deduct and transmit contributions, and to submit schedules. It follows that before an employer can be ordered to deduct and transmit contributions to the complainant, and in the process be *registered* with the complainant, it must be clear that the employer employs at least one person who qualifies as an *eligible employee* as defined in the Rules.

[18] On 4 April 2008, L Mbalo, Assistant Adjudicator contacted T Mathebula of the respondent who confirmed that the respondent has 5 security personnel in its employ and it intends to participate in the complainant. It follows that the respondent has *eligible employees*, as defined.

[19] In the result, the order of this tribunal is as follows:

[19.1] The respondent is ordered to register with the Private Security Sector Provident Fund within 14 days from the date of this
